***

All the Departmental officers are informed that Animal Husbandry Department procures Veterinary Drugs & Medicines and Equipment for supply to the field institutions to take care the Livestock health and prophylactic measures by calling Bi-annual Tenders. A State Level Technical Committee has been constituted with the field officers and also with subject matter Specialists for identification of required Drugs & Medicines and Equipment keeping inview of the following

1. Agro-Climatic conditions of the State
2. Disease patterns in different regions of the State
3. Pharmacological properties and action
4. Field level feedback on the efficacy and requirement of Drugs & Medicines

In this regard it is to inform that vide reference 2nd cited the Government have constituted Technical and Financial Bid Committees for finalization of Rate Contract. As per the recommendations of the Technical and Financial Bid Committees Rate Contract has been finalized towards purchase of Drugs & Medicines and Veterinary Equipment for the period from March-2012 to 31st March-2014.

Further, it is to inform that several guidelines or instructions have been issued from time to time for purchase of Veterinary Drugs and Medicines under Rate contract system. The experience has shown that providing comprehensive guidelines on the subject will not only bring good clarity but also improves the purchasing system. Therefore, the guidelines are once again communicated for better understanding.

1.0: ASSESSMENT OF REQUIREMENTS FOR INSTITUTIONS:

1.1: The Annual requirements of Hospital necessities of Veterinary Drugs and Medicines for the routine use and prophylactic measures should be worked out basing on the type of livestock maintained in the area, types of diseases prevailing in the areas. The actual requirements of necessary drugs from the field staff should be obtained and the budgetary provisions made available for the purpose also
should be kept in view. The requirements should be then prepared with the stocks on hand.

1.2: The Divisional Assistant Directors will obtain the requirements from the field units and sum up for the respective divisions and furnish to the Joint Directors I/C. District Administrators in the month of April every year. The Joint Directors I/C. District Administration will consolidate the Hospital necessaries for the entire district duly classifying into general drugs, patent Drugs, for routine use and other necessaries. A consolidated indent category Wise should be submitted to Director of Animal Husbandry Andhra Pradesh, Hyderabad for technical sanction, to the extent of Budget available with in fortnight from the date of receipt of approved rate contract list.

1.3: All the Joint Directors shall prepare consolidated indents in prescribed proforma category wise as per allocation of budget, and norms prescribed.

1.4 They are advised to take prompt action to obtain their requirements in respect of different category of drugs to the extent of budget provision well before the closure of financial year. Further, all the Joint Directors in-charge of district administration are advised to submit their annual indents category wise in consultation with the Divisional Assistant Directors to the extent of budget provision for technical approval within a fortnight from the date of receipt of budget. Joint Director's are also requested to deduct the amount for clearing pending bills if any at the time of preparing consolidated indent.

1.5 After receipt of the indents, examine the proposals as per the norms and Technicality at the Head Office level firm-wise consolidated indents will be prepared for all the districts basing on Joint Directors requirements sent through their technical indent and orders will be placed on approved Rate Contract firm/stockiest directly. The concerned firm will be asked to comply with the orders by dispatching stocks and bills to the respective Joint Director/Any other Indenting Officers in a period of (15) fifteen days.

1.6 After receipt of the stocks, Joint Director and other budget operating officers should verify the stocks as per the specifications with orders placed by the Head Office duly making stock entry and submit proposal for administrative sanction for effecting payment to the firm. All the budget operating officers of the department are instructed to make necessary entries such as date of receipt of stocks, receipt of sanction orders and date of payment to the firm concerned.

3.3: No purchase of medicines over and above their budget provision with a presumption of securing extra budget at later date shall be made.

**4.0: PLACING OF INDENTS FOR DRUGS & MEDICINES**

4.1: The Indenting Officer I/c. District Administration and those to whom the budget is allotted by the Head Office only will prepare the indents on various Rate Contract Firms for the requirements of all the institutions under appropriate Heads of account in their respective jurisdiction. *They should send their proposals to Director of Animal Husbandry for issue of Technical sanction in the Software prepared exclusively for indenting medicines along with hard copy.*

4.2: Divisional Assistant Directors (AH) need not be placed indents for the institutions under their control as a routine except in Special circumstances where the budget is allotted to them specifically or specific directions are assigned.
4.3: All the pending bills should be cleared off before placing orders for fresh purchases, while seeking sanctions for fresh purchases the officers shall enclose a no pending bills certificate to the proposals, failing which sanction will not be considered.

4.4: Claims of the satisfactory supplies shall be cleared with in 30 days from the date of supply.

5.0: PROPOSALS SEEKING SANCTIONS FOR THE EXPENDITURE:

5.1: Proposals for sanctions of expenditure of a particular year should be sent in the same financial year only.

5.2: All the pending bills should be cleared off in the same financial year and should not be carried forward for subsequent years.

5.3: Budget particulars with reference to financial amounts under the appropriate Head of account are to be specified. List of the Head of Account along with activity for which released is enclosed.

5.4: Source of the purchase and the authority if any in special circumstances is to be specified.

5.5: Copies of the Invoices/Bills of purchases should reflect details of stocks supplied together with the rates approved quantity and cost of Individual items and Total value of the Bill amount.

5.6: The stock entry certificate for any bill should be authenticated duly by the indenting officer.

5.7: All the Indenting officers are requested to monitor the supplies and ensure that fresh stocks shall invariably be received against all indents. The expiry date for applicable items shall not be less than (12) months at the time of consignment. For such of those items whose shelf life is only one year, they should have at least 80% of the balance shelf life at the time of supply.

   In case of premature deterioration or any loss free replacement shall be made. Every item shall be of good quality as per the approved medicine in all aspects and if any discrepancy in the quality, composition or the concentrations indicated against each of the approved item should be viewed seriously and the relevant batches liable to be rejected. And a report should be sent to the Director of Animal Husbandry for taking suitable action against the supplying firm/stockiest.

5.8: All the Indenting officers should ensure that the supplied stocks shall be made indicating all labels on first hand fresh packing material / cartons and packing including labels on Ampoules / Vials / Bottles packing with inscription in "Red Print" or "Rubber Stamp" as Andhra Pradesh Animal Husbandry Department use only" as already indicated in Tender Conditions failing which the stock will be rejected by the indenting or receiving officer. Every product /item and the packed cartons should have Name of the supplier, Batch Number, Drug License number,
manufacturing and expiry dates. IV fluids should be supplied under form-fill-seal technology (FFS Technology) in good quality polythene containers.

5.9 The principle firms are also advised to provide sufficient printed literature about their products to the receiving officers for field circulation to know details of products. Failure to supply the stocks as indicated above will be treated as non-compliance of indents and non-satisfactory supplies and action will be taken against the firm/stockiest, besides with holding the payments for the supplies made.

5.10 All the Indenting Officers should ensure that the supplies made by the firms are as per unit pack specifications mentioned in the Rate Contract, Secondly the container, capping and labeling etc of the products supplied must be in Conformity with the guidelines / provisions laid down in the relevant clauses /conditions of the Drugs and Cosmetics Act-1940, if they are not as specified it should be summarily rejected.

5.11 If any product is declared to be Not of Standard Quality (NSQ) or spurious or adulterated or mis-branded, such batch/batches will be deemed to be rejected. If any drug supplied by the firm is partially or wholly used or consumed after supply and is subsequently found to be not as per specifications, unsound, inferior in quality or description or tampered labels or otherwise faulty or unfit for consumption, then the cost of such Drugs will be recovered from the firm if the payment had already been made, besides resupply the same with fresh stock in addition to penalty for the entire batch.

5.12 All the Indenting Officers and Budget operating officers are requested to make the payments to the supplies made by the approved firms after duly obtaining administrative sanction from Head Office and analytical reports of the products from the approved Laboratories.

6.0: CERTAIN DOs, DO NOTS AND SUGGESTIONS:

6.1: The assessments of their requirements can be well planned, the estimates are pooled up from the Assistant Directors (AH), and Veterinary Assistant Surgeons at the beginning of the year i.e., April month itself, by convening a meeting with all the Assistant Directors (AH) in their division.

6.2: No indents shall be placed by the Veterinary Assistant Surgeons on the Rate Contract firms by themselves unless it is specifically advised.

6.3: The items approved in favour of a particular Rate Contract firm/Firms should not be purchased from other firm even though the later supplies at the same rate.

6.4: No local purchases of Drugs should be made either from the manufacturer or their stockiest without Rate Contract. If any items are to be purchased, the purchasing officers should obtain necessary permission from the Director of Animal Husbandry, Andhra Pradesh, Hyderabad.
6.5: In certain emergencies, if the purchases are made outside the financial powers of the subordinate officers, the action of the officers in having effected the purchases should be got ratified from the Director of Animal Husbandry, Andhra Pradesh, Hyderabad within 10 days from the date of placing indent.

6.6: Indenting of medicines over and above the budget provision every year and incurring the expenditure in subsequent years for settlement or bills should be avoided.

6.7: The practice of placing number of indents by splitting the purchases on the same firms for same item on the same day during the financial year so as to bring the purchases with in their financial powers avoiding the sanctions of higher authorities and to avoid lapse of funds should be desisted forthwith.

6.8: All officers I/C, District Administration and budget operating authorities shall invariably send the certificates of satisfactory performance of rate contract firms for a particular financial year during August of succeeding year, so that the same will be examined for finalization of tenders in ensuing year and also enable this office to release / with hold their security deposits.

6.9: The officers will be held personally responsible for any deviations adopted by them and they will be answerable for payments, commitments or deviations made against rules, guidelines and procedure enlisted from time to time.

7.0 Further, they are hereby strictly advised to adhere to the above guidelines and any deviation in this regard will be viewed seriously and an appropriate action will be initiated against the defaulters. The receipt of this order is to be acknowledged promptly. The receipt of the circular should be acknowledged and the contents should be brought to the knowledge of their subordinate staff.
