GUIDELINES FOR THE UNIVERSITY AWARDS FOR MERITORIOUS TEACHER

- Teachers in the cadre of Assistant / Associate Professors in Colleges/Polytechnics are only eligible for the award
- Minimum of 5 years class room / laboratory teaching experience as on date of calling for application is necessary to become eligible for the award
- Such of those who are working presently in research or extension but have put in 5 years of teaching in Colleges/ Polytechnics during the preceding seven years are also eligible for the award.
- Recipients of the National(Bharat Ratna Dr.C.Subramaniam ICAR outstanding Teacher Award) / State Awards(State Government Meritorious Teacher Award) are not eligible for University meritorious teacher Awards for 03 years from the date of receipt of said National/State Award.
- The total number of awards shall be 2.
- The award shall be given every year during the convocation.
- If suitable teachers are not available for consideration for any award those awards shall not be awarded that year.
- Each award consists of Rs.2,000/- in cash, a certificate and a memento.
- Procedure for selection: Applications may be submitted by teachers or nominations may be made by the Associate Dean or Head of the Department of the College or Principal of Polytechnic. A committee of the Associate Dean and two Senior Professors / Heads of Departments in Colleges, in case of Polytechnics the Associate Dean of the nearest college and the Principal nominated by the university shall screen the applications received for consideration for the award at College / Polytechnic level. The Committee members at institute level shall be other than the applicants. The committee shall prepare a panel of two names from each college and send them to the University along with their bio-data. The Associate Dean of College / Principal of Polytechnic has to forward the bio-data of other applicants also to the University. In case of Principals of Polytechnics and Assistant Professors where there is only one Teacher on rolls in a Polytechnic who happen to be the applicant his / her application will be screened by the Dean of the Faculty. In respect of Teachers presently working in Research or Extension they may send their applications through Associate Dean of College / Principal of Polytechnics under whom they worked.
- While considering the applications, weightage may be given for the classroom teaching work done such as the number of courses taken, manuals prepared, other innovative measures employed for effective teaching such as audiovisuals, advisory work co and extra-curricular activities. The Committee shall critically

examine the credentials of the teachers by making special efforts, both directly and discretely to find out as to how best teacher really is. They should also take into account the honesty and integrity of the candidates into account. While recommending the panel the Heads of Institutions should take into consideration of coverage of syllabus, interest generated in students, clarity of expression, depth of subject, use of various methods of teaching, seriousness in valuing answer scripts and remedial coaching, regularity and punctuality and encouragement to extracurricular activities and field visits by teacher.

- The proposals from the Associate Deans of Colleges / Principals of Polytechnics will be sent to the University for consideration at the University level.
- The Vice-Chancellor shall appoint a committee of Faculty Deans and Directors to select the teachers from the panels received from the Principals of the colleges.
- The Committee may, if considered necessary may require any of the prospective candidates to appear before it for interaction.
- There should be at least 5 years of gap between two awards for the same teacher.
- The minimum score required is 500 out of 1000 as per score card.
- The University reserves the right to select or not any teacher from a discipline.

14. Research publication in ISBN/ISSN numbered journals without NAAS rating (list to be enclosed as per following order) giving the names of all authors, title, year and name of the journal with pages with ISBN/ISSN numbers

No. of Publications	First author		Second author		Third author & above	
	International	National	International	National	International	National

15. Papers presented at Conferences / Seminars / Symposia at National and International level (Furnish the list separately with details) :

16. Lead papers /Key note addresses/ guest lectures presented / delivered with details :

17. Publications in indexed/ISBN/ISSN numbered publications as :
 - Books :
 - Monographs :
 - Review articles:
 - Status reports :
 - Bulletins:
 - Chapters:
 - Policy Papers:

18. Popular articles published (Furnish list) :

19. Courses offered for UG in the last 5 years, semester wise as course-in charge (Furnish list chronologically) :

20. Courses offered for PG in the last 5 years, semester wise as course-incharge (Furnish list chronologically) :

21. No. of M.V.Sc/ M.F.Sc/ M.Tech students guided as Chairman/cochairman of Advisory Committee(Enclose the list with the name of the student,title of thesis and subject and year of submission) :

22. No. of M.V.Sc/ M.F.Sc/ M.Tech students guided as Member of Advisory Committee(Enclose the list with the name of the student,title of thesis and subject and year of submission) :

23. No. of M.V.Sc/ M.F.Sc/ M.Tech students on hand as Chairman/cochairman of the Advisory Committee(Enclose the list with the name of the student, subject and year of admission) :

24. No. of M.V.Sc/ M.F.Sc/ M.Tech students on hand as Member of Advisory Committee(Enclose the list with the name of the student, subject and year of admission) :

25. No. of Ph.D students guided as :
Chairman/cochairman of Advisory Committee (Enclose the list with the name of the student,title of thesis and subject and year of submission)
26. No. of Ph.D students on hand as :
Chairman/Cochairman of Advisory Committee(Enclose the list with the name of the student, subject and year of admission)
27. No. of Ph.D students guided as Member :
of Advisory Committee(Enclose the list with the name of the student,title of thesis and subject and year of submission)
28. No. of Ph.D students on hand as :
Member of Advisory Committee(Enclose the list with the name of the student, subject and year of admission)
29. Booklets published in vernacular :
language
30. Mention the No. of Teaching aids of the :
following Category prepared by you for each course
- i) e-courses :
- ii) others :
31. Mention the No. of Teaching aids of the following Category used by you for each course

S.No.	Course No.	Lecture outlines	Slides for Projection	Transparencies for overhead projector	Charts	Other Audio-visual aids	Others

32. List the courses for which practical manuals were prepared by you and approved by University
- UG :
- PG :

33. **No. of Years Served as:**
- | | From | To | Duration |
|----------------------------------------|-------------|-----------|-----------------|
| i. Warden / Additional warden | | | : |
| ii. Officer i/c student activities | | | : |
| iii. Officer i/c Academic Matters (UG) | | | : |
| iv. Officer i/c Academic Matters (PG) | | | : |
| v. NSS Programme Officer | | | : |
| vi. Tour leader for educational tours | | | : |

- vii. Officer i/c transport :
- viii. Technical Officer to University Officers :
- ix. Officer i/c campus maintenance :
- x. Officer i/c library :
- xi. Officer i/c placement cell :
- xii. NCC Officer :
- xiii. Officer i/c Internship Programme/HTEL/Inplant Training/FWEP in charge :
- xiv. Tour leader for youth festival etc :
- xv. In charge instrumentation cell :
- xvi. In charge computer centre :
- xvii. In charge security :
- xviii. Liason :

- 34. What innovation you made in improving your teaching ability- name outstanding innovations if any
- 35. Organization of workshops, seminars, symposia, conference etc.
- 36. Membership of learned societies with year of enrolment
- 37. Fellowships of learned societies conferred
- 38. Junior / Senior research fellowship of ICAR / CSIR etc. availed
- 39. PDF / Overseas fellowship availed
- 40. Executive Committee of Professional bodies
 - i. President / Secretary :
 - ii. Executive Member :
- 41. Member editorial board of journals with details
- 42. Referee for journals with details
- 43. External funded Research Projects, other than RKVY / State Plan operated as PI. Furnish details and outlay
- 44. External funded Research Projects, other than RKVY / State Plan operated as Co-PI. Furnish details and outlay

SVVU YOUNG SCIENTIST AWARD

a. Eligibility criteria

The objective of the award is to recognize original research work done by the Young Scientist and to provide incentives to young scientists for carrying on their research work. The award also will promote high quality research in Veterinary and allied areas.

- i. The award is exclusively meant for individual Young Scientists and one award will be given every year at the Convocation of the University for the original research work carried out in SVVU only.
- ii. Scientists below the age of 40 years of age (**as on 31st December of the year**) who hold a regular teaching, research or extension job in the University are eligible to compete for the Award.
- iii. Scientists should have engaged themselves in original research in the concerned subject area for at least three (3) years before the last date of applications for the award.
- iv. Scientists working in the areas of Veterinary and allied sciences including Dairy Technology and Fisheries Science are eligible
- v. The relevance of the work should be substantiated by practical impact at the field level or application in the laboratory.

b. How to apply

Applications for the award will be invited every year. The candidates have to submit their applications in prescribed proforma before the deadline prescribed. The proforma shall include these details.

- i) Research work done
- ii) Research Projects / Programmes in which participated.
- iii) Level of participation in each Project / Programme as Leader / Associate etc.
- iv) Specific objectives and originality of the research projects.
- v) Practical utility of research work as judged by its impact on productivity and its socio-economic significance.
- vi) Publications emanating out of the research work.
- vii) Further programmes of research proposed by the candidate and their expected outcome.

c. Procedure of evaluation of the application :

The applications will be screened by a committee of Faculty Deans & Directors. The applications of eligible candidates will be sent to two outside judges to be nominated by vice-chancellor for recommending panel of names in the order of merit. The Committee of Faculty Deans & Directors shall make final recommendations to Vice-Chancellor. No award will be given if in the opinion of the Judges / Committee of Faculty Deans & Directors none of the applications qualify for the award in any particular year.

d. Presentation of the Award

The Award consisting of a Cash Prize of Rs.10,000/- and a Citation will be presented to the selected Scientist at the Convocation of SVVU.

PROFORMA

SVVU YOUNG SCIENTIST AWARD

- 1. Name :

- 2. Designation :

- 3. Date of Birth :

- 4. Service in Research before last date of application
place of work : From: To: Period:

- 5. Details of the research work and other contributions submitted for the award :

	Name of the project operated	Sponsoring agency	Responsibility PI / Co-PI	Outlay	Duration

- 6. Socio-economic, scientific and technological relevance of work :

- 7. Level of participation in each Project/Programme as Leader/Associate :

- 8. Specific objectives and originality of the research projects. Impact of research work on productivity/socio-economic Significance. :

- 9. Principal findings and technological significance of the contributions reported :

- 10. Impact of the findings of research work, in terms of applicability in the laboratory or in the field :

- 11. Further programmes of research proposed by the candidate and their expected outcome.

- 12. Original research papers published based on the research work in reputed national/ international journals :

13. Popular articles and other publications :
derived out of the research work
14. A concise statement (about 200 words) :
about the work carried out by the
Scientist for inclusion in the citation if
selected for the award
15. Whether any awards/patents have :
been received for the above research
work
16. Certificate : The research contributions submitted for the award are
based on my original research work and were not
submitted for the award of any other prize /award/
recognition

SIGNATURE OF THE APPLICANT

17. Certificate by Head of Institution / Office :

Certified that the research findings/research contributions submitted by the
applicant

Dr./Sri / Smt. _____ is documented from the
data obtained by him / her original research work.

Forwarded for consideration of SVVU Young Scientists Award for the year
