Explanatory note for Tables 11(a)

1. In order to facilitate this process, all teachers shall submit the duly filled-in Performance Based Appraisal System (PBAS) proforma to the University.
2. However, in order to remedy the difficulties of collecting retrospective information and to facilitate the implementation of these regulations from 31-12-2008 in the CAS Promotion, the API based PBAS will be progressively and prospectively rolled out.
3. Accordingly, the PBAS based on the API scores as mentioned in these tables is to be implemented for one year, initially based on the existing systems in universities for one year only. The annualized API scores can then be compounded progressively as and when the teacher becomes eligible for CAS promotion to the next cadre. Thus, if a teacher is considered for CAS promotion in 2010, one year API scores for 2009-10 alone will be required for assessment. In case of a teacher being considered for CAS promotion in 2011, two years average of API scores for these categories will be required for assessment and so on leading progressively for the complete assessment period.
4. Candidates should offer themselves for assessment for promotion, if they fulfill the minimum API scores indicated in Tables 11(A), by submitting an application and the required proforma.
6. If however, on final assessment, candidates do not either fulfill the minimum criteria as stated in Appendix III Table-11(A), they will be reassessed only after a minimum period of one year.
7. (a) If a candidate applies for promotion on completion of the minimum eligibility period and is successful, the date of promotion will be deemed to be the minimum period i.e date of eligibility.
(b) If however, the candidate finds that she / he fulfills the eligibility conditions at a later date and applies on that date and is successful, her / his promotion will be deemed to be from that date of application
(c) If the candidate does not succeed in the first assessment, but succeeds in an eventual assessment, her / his promotion will be deemed to be from the later date.
