

SRI VENKATESWARA VETERINARY UNIVERSITY, TIRUPATI
APPLICATIONS FOR DR. PRATAP V REDDY OUTSTANDING MASTERS
RESEARCH AWARD IN ANIMAL NUTRITION

**

Lr.No.887/Acad.-I/2019

Date :23/03/2022

“Dr. Pratap V Reddy Outstanding Masters Research Award in Animal Nutrition” is instituted in honor of Dr. Pratap V. Reddy, an alumnus of the Dept of Animal Nutrition, College of Veterinary Science, Tirupati (1986- 1988) and Chairman and Managing Director, NuTech Biosciences, Inc. New York. He is an eminent Animal Nutritionist and successful entrepreneur and has generously donated more than Rs.400.0 lakhs and established a modern Dr. Pratap V. Reddy Feed and Forage Analytical Laboratory at College of Veterinary Science, Tirupati for the benefit of students and livestock farmers. He has donated Rs.50.0 lakhs for the Alumni Home of College of Veterinary Science, Tirupati and has also instituted Professor D. Anjaneya Prasad Life Time Achievement Award for Animal Nutritionist of India which is awarded biennially during convocation of Sri Venkateswara Veterinary University, Tirupati by donating an endowment fund of Rs.100,21,031/-.

As a token of appreciation and to honor his great commitment for his Alma Matter and Animal Nutrition Science, the former and present teachers and students of the Department of Animal Nutrition, College of Veterinary Science, Tirupati have joined hands and instituted an endowment of Rs.2.50 lakhs for the Dr. Pratap V Reddy Outstanding Masters Research Award in Animal Nutrition. The award is instituted to encourage better research work and aptitude during post graduation studies and is given every year during the Convocation of the Sri Venkateswara Veterinary University for the best M. V. Sc. thesis in Animal Nutrition. The award will carry a certificate and a gold medal.

Interested post graduates in Animal Nutrition who have completed their course during the calendar year 2021 can send the soft copy of their Masters theses in PDF format in single file to Dr.K. Sarjan Rao, Dean of Veterinary Science, SVVU, Tirupati, Andhra Pradesh by e-mail: dvsc_svvutpt@yahoo.co.in by **25-04-2022** with a covering letter. The theses will be evaluated by 3 experts not below the rank of Professor in Animal Nutrition nominated by the Vice-Chancellor, SVVU. The experts will individually evaluate the theses for a score of 50 and the minimum qualifying score shall be 30. The selected candidate will be informed well in advance to receive the award in the 11th Convocation to be held in **May,2022** and he/she will be paid to and fro sleeper rail fare.

Kapa Sarjan Rao
DEAN OF VETERINARY SCIENCE
