TIME TO SUSTAINABLE APPROACH/ THE WAY FORWARD

I am happy that, the University is striving hard for the welfare of all the livestock in all our Research Stations, Colleges in general and for Ongole and Punganur breeds of cattle in particular.

During this summer the rise in temperature between 2 to 4^oc over the entire country, resulting from climate change likely to cause heat stress in livestock in general and dairy cows in particular, adversely affecting their production and reproductive performances.

There is a need to integrate our research with local weather information and precision farming technology to improve our understanding of adaptation options for extreme weather events with a view to developing a climate smart, resilient and sustainable production system. There is a need to track and monitor individual animals to quantify feeding, behavior and activity levels.

I express my extreme happiness for organizing 75th Board of Management Meeting on 10th May, 2022 action taken report on the proceedings of the previous board meeting was reviewed by the Board.

It gives me immense pleasure that the KVK, LAM Organized a Government of India's prestigious promotional programme PM Kisan Samman Nidhi and explained about the procedure of eKYC, benefits and importance of the scheme to the farmers and farm women.

I took privilege to announce CCVEC has organized NAARM sponsored Faculty Development Program (FDP) to faculty members from different constituent institutions of SVVU were actively participated and gained useful information.

University's Kisan call centre helping the farmers to get suggestions regarding management, reproduction, disease control and nutritional aspects of animals, value addition of meat and milk products preparation and information on University admissions process etc.

I congratulate the students who received 5 awards out of top 10 including 1st place in National level e-quizz contest on the occasion of World Veterinary Day.

I congratulate all the teaching staff members who received awards during the reporting period for their services in the field of Veterinary and Dairy science.

I congratulate the faculty, staff and students for their collective and pertinent efforts in uplifting the positive image of the University.

Dr. V. Padmanabha Reddy
Vice-Chancellor
Sri Venkateswara Veterinary University
Tirupati

Dr. V. Padmanabha Reddy

CENTRE FOR CONTINUING VETERINARY EDUCATION AND COMMUNICATION TIRUPATI

NAARM sponsored Faculty Development Program (FDP) was organized by Centre for Continuing Veterinary Education and Communication, Sri Venkateswara Veterinary University, Tirupati from 24th - 28th May' 2022. About 35 faculty members from different constituent institutions of SVVU were actively participated and gained useful information from all the sessions. Dr. G. Venkata Naidu hosted as president of the function. Dr. A. Ravi, Registrar, SVVU, Tirupati, Dr. K. Sarjan Rao, Dean of Veterinary Science, SVVU, Tirupati; Dr. J. Suresh, Dean of Dairy Science, SVVU, Tirupati were attended as chief guests. Dr. M. Balakrishnan, Scientist, NAARM hosted as Programme Director and Dr. K. Sujatha, Co-ordinator, CCVEC hosted as Training Co-ordinator. Dr. Ch. Srinivasa Rao, Director, NAARM attended as Chief Guest for valedictory Ceremony. Training certificates were distributed to participants by the Director, NAARM and Director of Extension, SVVU.

NAARM Sponsored Faculty Development Program (FDP) was Organized by Centre for Continuing Veterinary Education and Communication

ANNUAL CONVENTION OF INDIAN SOCIETY OF ANIMAL PRODUCTION MANAGEMENT (ISAPM) & NATIONAL LIVESTOCK CONFERENCE

28th Annual convention of Indian Society of Animal Production Management (ISAPM) & National Livestock Conference on "Eco - Friendly Technologies and Innovations for Sustainable Livestock Production

Systems to Augment Rural Prosperity" held at Visakhapatnam from 11th to 13th April, 2022.

In this programme Hon'ble Vice - Chancellor Dr. V. Padmanabha Reddy garu, Director of Research and Dean of Veterinary Science Dr. K. Sarjan Rao Garu, Animal Husbandry Department Officials, SVVU Scientists and Participants from other states were participated the conference.

28th Annual Convention of Indian Society of Animal Production Management (ISAPM) & National Livestock Conference

COLLEGE OF VETERINARY SCIENCE TIRUPATI

A two day National Workshop on "Economic feeding system in livestock for doubling the income for marginalized farmers and students" was organized on 30th & 31st May, 2022.

Dr. K. Sarjan Rao, Dean, Faculty of Veterinary Science, Dr. G. Venkata Naidu, Director of Extension graced the occasion. This workshop was organized by Dr. B. Rambabu Naik, Dept. of Veterinary Physiology as Organizing Secretary and Dr. A.V.N. Siva Kumar & Dr. L.S.S. Varaprasad Reddy as Co - Organizing Secretaries.

National Workshop on Economic Feeding System in Livestock for Doubling the Income for Marginalized Farmers and Students

VISIT OF DIGNITARIES

Team of Scientists from The Netherlands along with officials of National Centre for Disease Control, New Delhi visited the Dept. of Vet. Microbiology on 17th June' 2022 as part of Indo - Dutch pilot project on AMR being executed under the Principal Investigator ship of Dr. P. Anand Kumar.

Netherlands Scientists Team Visited
Dept. of Vety. Microbiology, NTR CVSc, Gannavaram

GUEST LECTURES

Scientific session on "One Health" was organized jointly for Medical and Veterinary students on 17th June 2022. Second year MBBS student of Siddhartha Medical College, Vijayawada and second year BVSc & AH students of NTR College of Veterinary Science together participated in three sessions with lectures delivered by Scientists of The Netherlands mission. Sessions were funded by the Netherlands embassy in India and coordinated by Dr. P. Anand Kumar.

COLLEGE OF DAIRY TECHNOLOGY TIRUPATI

A National Workshop on "Pest Management for Ensuring Food Safety" was organized on 7th June' 2022. In the workshop, organized both on online and offline mode was attended by staff and students of various dairy technology colleges and industry professionals from various dairies across India. During the workshop, Dr. K. Praveen Kumar, Senior Sales Executive, Bayer Crop Science Ltd. Vijayawada presented a lecture on "Insect and Non Insects Biology, Habits, Habitats and Life Cycle" and Mr. Guruprasad Agavane, M/s. Pest Terminators, Pune presented a lecture on "Pest Management in Food Industry"

by College of Veterinary Science, Tirupati

RESEARCH ACTIVITIES

LIVESTOCK RESEARCH STATION, LAM, GUNTUR

A total of 144 (14 Ongole and 130 Punganur) semen doses from high genetic merit (HGM) bulls were supplied to the farmers. A total of 25 HGM Ongole semen doses were issued for use in LRS Lam. Six HGM Ongole donors and two HGM Gir donors were aspirated for oocytes. Twenty five HGM Ongole and 26 HGM Gir IVF embryos were produced.

Two IVF embryos of HGM Gir were fresh transferred. Thirty Nine HGM IVF Gir and 9 HGM IVF Ongole embryos were supplied to the field. 63,107 Ongole and 3183 Punganur Frozen semen doses were available in the Semen Bank. 417 Ongole and 32 Gir IVF Embryos are available in Embryo Bank.

COLLEGE OF DAIRY TECHNOLOGY TIRUPATI

As per the request received from the Director, Animal Husbandry Department, Govt. of Andhra Pradesh, the University authorities directed the College of Dairy Technology, Tirupati to analyze the milk samples from AMUL-AMCs of Pulivendula region of Kadapa district and a few selected milk collection centers of Nellore District to apply for the Geographical Indication (GI) of goods for the milk of Pulivendula region.

EXTENSION AND COMMUNITY ORIENTED ACTIVITIES

COLLEGE OF VETERINARY SCIENCE TIRUPATI

A total of 270 birds were distributed to the SC farmers by the Hon'ble Vice -Chancellor, SVVU, Tirupati - Dr. V. Padmanabha Reddy, Dean of Veterinary Science Dr. K. Sarjan Rao, Director of Extension Dr. G. Venkata Naidu, Board Members Dr. K. Adilaxmamma and Dr. P. Malakondaiah were participated and distributed the Vanaraja birds under SCSP component of PSP project on 31st May' 2022. Dr. S. Shakila explained about the managerial practices of birds and the potentiality of Vanaraja birds that they lay 160 eggs/year and grow up to 1.75-2.0 Kg live weight at the age of 4-4½ months age.

Vanaraja Birds Distributed to the SC Farmers by University Officials

COLLEGE OF DAIRY TECHNOLOGY TIRUPATI

The staff of the college have been assisting the TTD to establish 3000 lts milk processing plant and 60 kg ghee manufacturing unit for preparing curd and ghee from milk of indigenous cattle for use in the worship of Lord Balaji. In this connection, Dr. B.M Manjunatha, Asst. Professor attended various meetings with TTD officials on 08th, 16th and 30th June 2022.

Ghee Plant Project of TTD Assisted
by College of Dairy Technology, Tirupati

LIVESTOCK RESEARCH STATION PALAMANER

A total of 54,825 Super Napier fodder slips had been distributed to 15 farmers for the propagation of fodder plots at their place, 195 litres of urine and 300 kg of dung were distributed to the farmers for organic farming. 36 doses of Punganur cattle semen have been distributed to farmers on Punganur cattle breeding and supplied 9 Kg of Hedge Lucerne seeds to the local farmers.

at Krishi Vigyan Kendra, LAM, Guntur

CREATIVE AND INNOVATIVE INITIATIVES IN TEACHING

The faculty in the department of Veterinary Anatomy, College of Veterinary Science, Garividi prepared dry splanchnology specimens to demonstrate practically without exposure with formalin and also prepared colored skulls of Ox, Horse, Dog and Ram for easy identification of different parts of skull by Department of Anatomy, CVSc, Garividi.

Demonstration of Osteology Specimens without Formalin

AWARDS & RECOGNITIONS

Dr. P.V.S. Kishore and Dr. K. Veerabrahmaiah were conferred with the Fellow Indian Association for Advancement of Veterinary Research (FIAAVR) in April 2022 and also selected as the Chairman of the Poster & Exhibition Committee in the 10th International Conference of Laboratory Animal Scientists Association of India at Hyderabad from June 2-4, 2022.

Dr. P.V.S. Kishore was conferred with the Fellow Indian Association
for Advancement of Veterinary Research

Dr. G.R.K. Sharma, Professor & University Head awarded with Fellow of Veterinary and Animal Science (F.V.A.Sc.) in recognition of his momentous contribution to Veterinary Extension by Veterinary & Animal Sciences Research Foundation, Bhubaneswar for the year 2022.

Dr. Raghavendra Srikanth. N, Scientist, LRS, Lam received Certificates of Excellence in Reviewing from Journal of Global Agriculture and Ecology.

Dr. A. Anitha, Assoc. Professor received Mohammed Ismail Siddiqui award for best oral presentation in small ruminant research in the national conference of ISAPM entitled "Eco-friendly technologies & innovations for sustainable livestock production systems to augment rural prosperity" held at Vizag from 11-04-2022 to 13-04-2022.

Dr. Y. Chaitanya got best oral presentation in International E-symposium of Current Practices in companion animal nephrology and virtual workshop on renal interventional procedures at TANUVAS, Chennai on 21-04-2022 and 22-04-2022.

Dr. M. Srivani received best presentation award for presenting paper on "Effect of feeding symbiotic on health scores and multidrug resistant E. coli in Murrah buffalo calves" in ISAPM Conference held from 11-04-2022 to 13-04-2022 at Vizag.

Dr. I. Vasantha Seshu Kumari received "Dr. D.K. Bidarkar Poster Award" at ISAPM, Vizag held from 11th to 13th April, 2022.

STUDENT'S ACHIEVEMENTS

Second year B.V.Sc & AH students had participated in National level e-quizz contest conducted by Zenex animal Health India Pvt. Limited on the occasion of World Veterinary Day and achieved the following positions among the top 10. Harshini, Praharshini, Meghana, Jyothirmayee and Harshitha got 1st, 6th, 7th, 8th and 9th positions respectively.

DAYS CELEBRATED

BIRTH ANNIVERSARIES OF JYOTHIRAO PHULE AND AMBEDKAR

Sri Mahathma Jyothirao Phule 195th Jayanthi Celebrated

All the institutes of the university have celebrated 195th Birthday of Sri Mahathma Jyothirao Phule on 11th April and 131st Birthday of Dr. B. R. Ambedkar on 14th April. On Ambedkar Jayanthi's occasion, elocution and essay writing competitions were conducted for students and awarded the cash prizes to the winners.

Dr. B. R. Ambedkar 131st Jayanthi Celebrated

CELEBRATION OF WORLD MILK DAY

Twenty Second World Milk Day was celebrated on 01st June 2022. The staff and students of the college visited Navajeevan Blind Relief Centre, Tiruchanooru, Tirupati and Abhaya Kshethram - A home for physically and mentally challenged orphans, destitute women and destitute aged people at Renigunta and distributed lassi to the inmates of both the organizations. A quiz competition covering various aspects of dairy industry was conducted for the students and the top three students were awarded with prizes.
