## TIME TO RE-ORIENT OUR APPROACH

I am happy that the university has celebrated its 8<sup>th</sup> convocation in a befitting manner which is graced by Hon'ble vice - president of India Sri M. Venkaiah Naidu and chancellor of the university & Hon'ble Governor of Andhra Pradesh Sri ESL Narasimhan. The distinguished dignitaries visited the Veterinary Pathology museum of the College of Veterinary Science, Tirupati and a documentary on their visit was broadcasted in Rajyasabha TV and through link <http://youtu.be/ohsCHU5JcTs>.

During this quarter of the year, the University focused on capacity building programmes like overseas training program to the teaching staff of the university, organization of training programmes to Assistant Professors of Fishery Science faculty and training programmes for Field Veterinarians and farmers.

Other notable achievements of the university were inauguration of feed and forage analytical lab at CVSc, Tirupati for catering the needs of farmers, implementation of Tribal sub-plan as part of NSWPI, ICAR project at LRS Palamaner for improvement of sheep breeding. Supply of Vanaraja chicks by the department of Poultry Science, CVSc, Tirupati under the ICAR poultry seed project and creating awareness among dairy farmers about mastitis control by CCVEC were appreciable. The virtual reality software made available at Veterinary Anatomy department on cattle dissection with the help of NAHEP-IC grants at CVSc, Tirupati will augment the practical skills of the Veterinary graduates. The university has created the Internal Quality Assurance (IQA) as well as Prioritizing, Monitoring and Evaluation (PME) cell at university administrative office for systematic planning, implementation and monitoring of university projects.

The university has held the XII SLTP meeting and 67<sup>th</sup> meeting of Board of Management and technical meet for improvement of Nellore sheep during the period under report. The staff and students of the university participated in socio-cultural activities by celebrating the occasions like May day, World Ethnic day, Dr. Baba Saheb Ambedkar Jayanthi, Mahatma Jyothi Rao Phule Jayanthi, College Day, International Yoga Day and World Veterinary Day.

I congratulate the staff of KVK, Guntur for receiving the best performance award for their contributions in CLFD on pulses. I also appreciate and congratulate Dr. Pratap V Reddy, an alumni of CVSc, Tirupati for his financial contributions in establishing the feed and forage analytical lab as well as first floor of Alumni home. I congratulate students of college of Dairy Technology for their placements in reputed companies.

I congratulate the faculty, staff and students for their collective and pertinent efforts for uplifting the positive image of the University.

**Dr. Y. Hari Babu, Vice- Chancellor**  
Sri Venkateswara Veterinary University, Tirupati

**Dr. Y. Hari Babu**  
Vice-Chancellor

**C.V.Sc., TIRUPATI STAFF ATTENDED  
INTERNATIONAL TRAINING IN OVERSEAS  
UNIVERSITIES/ INSTITUTIONS**

Dr. V. Chengalvarayulu, Professor & Univ. Head, Department of Veterinary Parasitology, Dr. B.Punya Kumari, Assoc. Professor & Head, Department of Animal Genetics and Breeding, Dr. B. Ram Babu Naik, Professor & Head, Department of Veterinary Physiology, Dr. Vinod Kumar, Assoc. Professor, Department of Veterinary Microbiology and Dr. A.V.N. Siva Kumar, Assoc. Professor Department of Veterinary Physiology attended International Training in Overseas Universities / Institutions, starting from 15<sup>th</sup> April, 2019 under NAHEP titled "Innovation grant proposal".

Teaching staff at international training

**SVVU CELEBRATED ITS 8<sup>TH</sup> CONVOCATION**

The 8<sup>th</sup> Convocation of Sri Venkateswara Veterinary University, Tirupati was held on 24<sup>th</sup> April at the Auditorium of College of Veterinary Science, Tirupati. The Hon'ble Governor of Andhra Pradesh and Telengana and the Chancellor, Sri E. S. L. Narasimhan, presided over the convocation ceremony. Sri M. Venkaiah Naidu, the Hon'ble Vice-President of India was the Chief Guest and addressed the august gathering and emphasized the need of advanced veterinary services to the remote areas as the livestock now became one of the major sources of income to the farmers next to agriculture.

The Hon'ble Governor of Andhra Pradesh delivered the convocation inspiring the Graduates and Post-Graduates. In his concluding remarks, he suggested the veterinarians to play a pivotal role for overall development of villages with livestock as prime factor. In this convocation, degrees were conferred to 231 Graduates, 72 Post-Graduates and 10 Doctorals. 32 Gold Medals, 1 Silver Medal and 1 Cash prize were awarded to the deserving degree recipients. University 2 Best Teacher awards, Best NSS Programme Officer and Best NSS unit of SVVU for the academic year 2018-19 were also awarded to the teaching faculty for their meritorious services.

The Hon'ble Vice-President of India,  
The Hon'ble Governor of Andhra Pradesh &Telengana and Chancellor,  
University officers and academic council members in SVVU 8<sup>th</sup> Convocation

Hon'ble Vice-President of India, **Sri M. Venkaiah Naidu**,

**DISTINGUISHED DIGNITARIES VISITED  
VETERINARY PATHOLOGY MUSEUM AT TIRUPATI**

Hon'ble Vice-President of India, **Sri M.Venkaiah Naidu** and **Sri E.S.L. Narasimhan**, Hon'ble Governor of Andhra Pradesh & Telengana and Chancellor and staff in the visit to the Veterinary Pathology Museum at C.V.Sc., Tirupati

The distinguished delegations, Shri M. Venkaiah Naidu, the Hon'ble Vice-President of India and Shri E.S.L. Narasimhan, the Hon'ble Governor of Andhra Pradesh & Telengana and Chancellor visited the museum on 24<sup>th</sup> April. The delegations expressed their immense pleasure at the vast collection of specimens in the museum composed of variety of specimens and their well execution. The delegations well appreciated the team efforts of all the staff of Veterinary Pathology and felt that this museum should be a model for others and needs to be

documented. The delegations were briefed about the development of museum by Dr. N. R. Gopal Naidu, former Head of the Department, who was invited as guest. Dr. Ch. Srilatha, Professor & University Head of department of Veterinary Pathology narrated the instrumental role and immense efforts of Dr. N. R. Gopal Naidu in shaping the present museum and also the maintenance of museum specimens and also the university officers for their extended financial support in structuring the today's Veterinary Pathology museum. She explained the maintenance of museum specimens. On this occasion, she acknowledged Dr. Ganti A Sastry, the founder of this museum, and team efforts of all the teaching and non-teaching staff and students of pathology and the financial support extended by university officers in shaping up of today's Veterinary Pathology museum, which every veterinarian feel as the heart of the department. The visit was live telecasted in Rajyasabha TV channel.

**DOCUMENTARY ON PATHOLOGY MUSEUM  
AND C.V.Sc. BY RAJYASABHA TV**

In the context of the visit of Veterinary Pathology Museum at C.V.Sc., Tirupati by Honorable Vice- President of India, Shri M. Venkaiah Naidu, Honorable Vice-President of India on the day of 8<sup>th</sup> convocation of SVVU, a documentary on Veterinary University with special reference to Veterinary Pathology Museum was prepared on 2<sup>nd</sup> and 3<sup>rd</sup> June, and was released by Rajyasabha TV. This documentary was webcasted in the university website. The visit was live telecasted in Rajyasabha TV channel Youtube link <https://youtu.be/ohsCHU5JcTs>.

**KVK, GUNTUR RECEIVED BEST PERFORMANCE  
AWARD**

Received the BEST PERFORMANCE award in CFLD pulses on 25<sup>th</sup> May during the Zonal Workshop at NAARM, Hyderabad conducted during 24-26<sup>th</sup> May.

## SVVU NEWS LETTER

Quarterly issue April to June, 2019

### XII SLTP MEETING OF S.V.V.U HELD AT TIRUPATI

XII SLTP meeting was held during 27<sup>th</sup>- 28<sup>th</sup> of May, 2019 at Administrative Office, SVVU, Tirupati. Hon'ble Vice-Chancellor, Deans of Veterinary and Fishery Science, Director of Research i/c, Controller of Examinations, Estate Officer, Associate Deans of Colleges, and Heads of Research Stations and Extension Centres attended the same. Director of Research and Faculty Deans reviewed the work progress of the different stations and some measures suggested for the problems existed in their places.

Hon'ble Vice-Chancellor, university officers,  
Heads of research stations and extension centre and teaching faculty at meeting

### 67<sup>TH</sup> BOARD OF MANAGEMENT MEETING OF SVVU

The 67<sup>th</sup> meeting of Board of Management of SVVU was held on 8<sup>th</sup> May, 2019 at conference hall of administrative building, Tirupati.

67<sup>th</sup> meeting of Board of Management at SVVU, Tirupati

### PME CELL CREATED IN SVVU

The university has created the Internal Quality Assurance (IQA) and Prioritizing, Monitoring and Evaluation (PME) Cell at Administrative Office, SVVU, Tirupati. The cell act as documentation and record keeping cell and will be responsible for systematic planning,

implementation, monitoring and evaluation of research projects in the university. The cell is working under the control of Direction of Extension. Dr. N. Sailaja, Professor (VPP), CCVEC is nominated as Coordinator of PME cell of SVVU.

### TECHNICAL MEET HELD AT TIRUPATI ON IMPROVEMENT OF NELLORE SHEEP

The technical meeting on Nellore Sheep Improvement was held on 30<sup>th</sup> June, 2019 in the Conference hall of SVVU, Tirupati. Dr. Artabandhu Sahoo, Director and Dr. Arun Kumar Tomar, I/c PC, NWPSI from CSWRI, Avikanagar, Rajasthan, Dr. T. S. Chandrasekhar Rao, Dean, Faculty of Vety. Science, Dr. D. Srinivasulu, Director of Research, SVVU, Tirupati, Dr. G. Gangaraju, PI, NWPSI, Nellore Unit, and Principal Scientist, LRS, Palamaner, Dr. M. Srinivasa Rao, Managing Director, Sheep, A.H. Dept. Andhra Pradesh, and Dr. S. Venkatarao, Joint Director A.H. Dept. Chittoor and Dr. Chittibabu Assistant Director, Sheep, A.H. Dept. Chittoor attended the meeting and discussed the strategies and suggested the procedures to achieve the objectives of Sheep Development in Andhra Pradesh and strategy to improve the germplasm through selective breeding.

### FEED & FORAGE ANALYTICAL LAB INAUGURATED AT C.V.Sc, TIRUPATI

The building of Dr. Prathap V. Reddy Feed & Forage Analytical Laboratory donated by him and inaugurated by his mother, Smt V. Seethamma, in the premises of C.V.Sc, Tirupati. The University Officers and staff, and Dr. Jawahar Reddy, IAS attended for this on 29<sup>th</sup> April. The laboratory building and equipment was donated by Dr. Prathap V. Reddy, alumnus of this college. The facility and services are useful for researchers as well as farmers of the country.

Smt. V. Seethamma, Dr. Prathap V. Reddy and others  
at inauguration of Feed and Forage Analytical Lab

**FIRST FLOOR OF ALUMNI HOME  
INAUGURATED AT SVVU, TIRUPATI**

The First Floor of Alumni Home was inaugurated by Dr. Jawahar Reddy, IAS, President, Alumni Association in the presence University Officers on 29<sup>th</sup> April. Dr. Prathap V. Reddy, alumnus of this college donated for this. The home has now two storied and for accommodation on payment. Dr. K. Veerabrahmaiah, Professor, VOG, C.V.Sc., Tirupati is the in-charge of home.

A three day training program on “Management of Infertility in Livestock” was conducted for twenty one Veterinary Assistant Surgeons of the Department of Animal Husbandry, Govt. of Andhra Pradesh by the Department of Veterinary Gynaecology and Obstetrics during 13-15<sup>th</sup> May. The inaugural session was graced by Dr. S. Jagadeeswara Rao, Member, Board of Management, SVVU and Dr. G. Srinivasa Rao, Associate Dean of College. Dr(s). M. Srinivas, M. Mutharao, B. Chandra Prasad, D. Srinivas Kumar, K. Anusha, Makkena Srenu were the resource persons. The training imparted on strategies for enhancement of fertility in dairy cattle, embryo transfer technology, ultrasonography in fertility of livestock, management and treatment of infertility, and role of nutrition in infertility.

Participants in the training program

**NTR COLLEGE OF VETERINARY SCIENCE,  
GANNAVARAM ORGANIZED TRAINING  
PROGRAMS FOR FIELD VETERINARIANS**

Department of Veterinary Medicine organized a training program on “Early and accurate diagnosis of animal diseases” for twenty Veterinary Assistant Surgeons of the Department of Animal Husbandry, Govt. of Andhra Pradesh during 1<sup>st</sup>-3<sup>rd</sup> May. The inaugural session was graced by Dr. S. Jagadeeswara Rao, Member, Board of Management, SVVU and Dr. G. Srinivasa Rao, Associate Dean of the college. The staff of the department shared their practical experiences with the participants.

Release of Training Manual in the training program

Participants at hands-on training

**NTR COLLEGE OF VETERINARY SCIENCE,  
GANNAVARAM ORGANIZED TRAINING  
PROGRAMS FOR FARMERS**

Dr. N. Lakshmi Rani, Professor and Head, Department of Veterinary Medicine, organized a training program on “Basics in identification and control of important livestock diseases” for farmers on 27<sup>th</sup> April. The inaugural session of the program was graced by Dr. G. Srinivasa Rao, Associate Dean, NTR College of

Veterinary Science, Gannavaram and Dr. D. Rajasekhar, Assistant Director (AH), Allapuram, Krishna District as invitee guest. Thirty farmers from Krishna district have participated in this program. Dr. N. Lakshmi Rani, Dr. K. Rajesh and Dr. K. S. Saikrishna were the resource persons in this training. The participants were exposed to hands-on training.

Organized a training program on "Basics in identification and control of important livestock diseases"

**FRS, KAKINADA ORGANIZED TRAINING PROGRAMMES**

Dr. Chamundeswara Devi, Principal Scientist & Head, FRS, Kakinada, organized a training program on "Panjarallo chepala pempakam (Cage Culture)" for 36 fishermen at Jwala village as a part of All India Network Project on Mariculture on 19<sup>th</sup> June. Dr. Usha Kiran, Assistant Director of Fisheries, Nidubrolu as Chief Guest, Sri Chittibabu and M. Srinivasa Rao Fisherman Society State Secretaries as Guests of honour and other staff have attended. Dr. Chamundeswara Devi highlighted the use of cages, and culturing of fish in cages.

Fishermen in a training program on "Panjarallo chepala pempakam (Cage Culture)" at Jwala village

On 27<sup>th</sup> June, a training programme on "Aqua Sagulo Neeti Nanyata Parirakshana mariyu Neeti Pramanala Nirdharana" was organized for 30 fishermen by Dr. B. Chamundeswri Devi, Principal Scientist and Head, Fisheries Research Station, Kakinada at P. Mallavaram, East Godavari district. The Chief Guest, Dr. P. Madhavi Latha, Assistant Director of Fisheries, State Institute of Fisheries Technology, Kakinada, and NSPAAD Project In-charge explained about Best Management Practices of shrimp culture and water quality management for prevention of diseases. The guest speaker, Dr. P. Ram Mohan Rao, Deputy Director, (Retired) State Institute of Fisheries Technology narrated the importance of water quality parameters and their management in aquaculture. He released booklet on 'Aqua Sagulo Neeti Nanyatha Parirakshana mariyu Neeti Pramanala Nirdharana'. Sri Nagababu, FDO, Thallarevu, Dept. of Fisheries and Mr. P. Sri Dattatreya, Scientist, Fisheries Research Station, Kakinada and Fishermen society secretaries Sri Vishveswara Rao and Sri Gopi participated and in the training program.

**CCVEC ORGANIZED AN AWARENESS PROGRAM ON MASTITIS CONTROL**

Dr. D. Raniprameela demonstrating the technique For screening of subclinical mastitis to the farmers

# SVVU NEWS LETTER

Quarterly issue April to June, 2019

On 14<sup>th</sup> June, CCVEC organized an awareness program on mastitis control in cattle at Venkatayapalem, Chittoor district. Dr. D. Sreenivasulu, Director of Extension, Dr.J.Suresh, CCVEC Coordinator, Dr. D. Srinivasa Rao, Assistant Director (AH), Dr. D. Raniprameela, Professor, SLDL and Dr. Pradeep Kumar, Contract Assistant Professor attended the program. Dr. D. Raniprameela demonstrated the technique for screening of subclinical mastitis in cattle by using the detergent Surfexel at field level. Dr. D. Sreenivasulu narrated the mastitis pathogenesis and control. Dr.J.Suresh explained the managerial practices in cattle and calf rearing. Dr. D. Srinivasa Rao summated the tips in mastitis control. The DVD was played on mastitis control program in cattle for the benefit of farmers.

## POULTRY SCIENCE DEPARTMENT, C.V.Sc, TIRUPATI DISTRIBUTED VANARAJA BIRDS UNDER POULTRY SEED PROJECT (ICAR- SCS PROJECT)

Dr. S. Shakila, PI of Poultry Seed Project-ICAR- SCS Project & Head, Department of Poultry Science, C.V.Sc, Tirupati in collaboration with CCVEC, organized Vanaraja birds distribution program for 22 women SC/ST beneficiaries of Vudamalapadu village, Chittoor district on 11<sup>th</sup> June. To each of beneficiary, 20 Vanaraja birds, feeder, waterer and 2 kg feed were distributed. Dr. Y. Hari Babu, Hon'ble Vice-Chancellor, SVVU as the Chief Guest, distributed the birds. Other dignitaries, Dr. T. S. Chandrasekhara Rao, Dean of Veterinary Science, Dr. D. Sreenivasulu, Director of Research i/c, Dr. K. Nalini Kumari Associate Dean and Dr. A. Ravi, Department of Animal Nutrition graced the occasion and distributed Vanaraja birds and the kit comprising the feeder, waterer and 2kg feed to the beneficiaries. The birds were supplied at the age of 8 weeks at free of cost to SC/ST beneficiaries. Dr. S. Shakila explained about the managerial practices of birds and the potentiality of Vanaraja birds that they lay 160 eggs/year and grow up to 1.75-2.0 Kg live weight at the age of 4-4½ months age. Played a video on topic 'Samagra saagulo kolla yajamanyam' for the benefit of the poultry farmers. Co-investigator of the project, Dr. G. Triveni, and some other teaching staff attended the program.

Dr. Y. Hari Babu, Hon'ble Vice-Chancellor, Dr. T. S. Chandrasekhara Rao, Dean of Veterinary Science, Dr. D. Sreenivasulu, Director of Research i/c, Dr. K. Nalini Kumari Associate Dean distributing Vanaraja birds and the kit to the beneficiaries

On 28<sup>th</sup> June, CCVEC in collaboration with PI of Poultry Seed Project, Dr. S. Shakila along with the co-investigators, Dr.G.Triveni and Dr. B. Punyakumari organized the Vanaraja chicks distribution program for women SC/ST beneficiaries at SOS Children's village, Chittoor district. Director of Extension, Dr. D. Sreenivasulu, Dr.J.Suresh, CCVEC Coordinator, Dr. D. Srinivasa Rao, Assistant Director (AH), Dr. Pradeep Kumar Reddy, Contract Assistant Professor attended the program.

Dr. Y. Hari Babu, Hon'ble Vice-Chancellor, Dr. T. S. Chandrasekhara Rao, Dean of Veterinary Science, Dr. D. Sreenivasulu, Director of Research i/c, and Dr. S. Shakila, HOD, Dept of Poultry Science distributing Vanaraja Chicks to the beneficiaries

## SOFTWARE DEMO ON CATTLE DISSECTION

Software on dissection of cattle was developed under ICAR-NAHEP-IG Project, SVVU. Software was demonstrated at Conference Hall of Administrative Building, Tirupati on 24<sup>th</sup> June. Dr. Y. Hari Babu, Hon'ble Vice-Chancellor, Dr. T. S. Chandrasekhara Rao, Dean of Veterinary Science, Dr. D. Sreenivasulu, Director of Research i/c, Dr. A. Ravi, PI of NAHEP- IG, Dr. Jagapathiramayya, Professor & Head, Department of Veterinary Anatomy, C.V.Sc., Tirupati attended the demo. This software helps the students for virtual learning of cattle dissection.

The Hon'ble Vice-Chancellor, University Officers and staff in the demo of software on cattle dissection

**ACTIVITIES OF KVK, GUNTUR**

To address the unemployment problem of the rural youth, KVK has organized on-campus training on Mushroom production at KVK, Lam, Guntur to rural youth.

**STAFF ATTENDED WORKSHOP**

Dr. N. Sailaja, Professor, CCVEC attending PME workshop at NASC, Delhi

Dr. N. Sailaja, Professor, VPP & Coordinator of PME cell of SVVU attended the Sensitization Workshop on M&E frame work and PMTS related activities of NAHEP organized by NAHEP M&E consultant, on 28<sup>th</sup> June, 2019 at NAS complex, New Delhi under **NAHEP-IG Project** of SVVU. Central M&E cell is developing a Project Monitoring & Tracking System (PMTS). National Coordinator expressed that an interaction

interaction between PIU & PME officials is very pertinent to keep the entire NAHEP functioning at similar level of understanding and implementing the stated objectives of the project. Stakeholders were acquainted with M&E frame work of NAHEP.

**STAFF ATTENDED TRAINING AT ICAR - NAARM, HYDERABAD**

Twenty eight teaching faculty attended training programme on Information and Communication Technologies (ICTs) for livestock development at ICAR-NAARM, Hyderabad from 16<sup>th</sup> -22<sup>nd</sup> May as a part of human capacity building of NAHEP-IG project of SVVU.

SVVU teaching staff attended the training at ICAR-NAARM

**SVVU CELEBRATED WORLD VETERINARY DAY**

At C.V.Sc., Tirupati World Veterinary Day with the theme of this year 'Importance of vaccination' was celebrated enthusiastically in the College Auditorium. On this auspicious day, a guest lecture by Dr. Alladi Mohan, M.D., (AIIMS, New Delhi), Professor & Head, Dept. of Medicine, SVIMS, Tirupati, was arranged at 11.30 A.M. at College Auditorium, C.V.Sc., Tirupati, who delivered a lecture on "Vaccinations."

World Veterinary Day celebration at C.V.Sc., Tirupati

On this occasion, in NTR College of Veterinary Science at Gannavaram, Dr. Kiran Ambatipudi from the Department of Biotechnology, IIT, Roorke as invited an special guest, delivered a lecture on "Proteomics in vaccine design". The faculty and students of the college have participated in this program. Later Dr. Ambatipudi had interacted with students and spoke about opportunities for

veterinary graduates and postgraduates in IITs and other renowned national institutions.

On the eve of "World Veterinary Day 2019" celebrations in the CVSc., Proddatur Associate Dean i/c Dr. Y. Nagamalleswari and teaching faculty gathered in the seminar hall of Veterinary and Animal Husbandry Extension department and celebrated the event.

## GUEST LECTURE BY FACULTY AT NTR C.V.Sc., GANNAVARAM

Dr. M. Jayaseelan, Professor of Biotechnology at SRM University, Amaravati visited the NTR College of Veterinary Science, Gannavaram on 25<sup>th</sup> April and delivered a talk on "Proteomics and Antimicrobial Resistance." During his lecture he covered topics on host-pathogen interactions, how quantitative proteomics would be useful in analysing infectious microorganisms and MALDI-TOF based species identification in bacteria. The faculty and students of the NTR College of Veterinary Science, Gannavaram have participated and interacted with Dr. Jayaseelan.

Dr. M. Jayaseelan, Professor of Biotechnology at SRM University, Amaravati visited NTR CVSc, Gannavaram

## STUDENT ACHIEVEMENTS

The student of CDT, Tirupati Ms. P. Sushmitha was conferred with CDT Students Association Gold Medal and Dr. Mandati Anuradha Gold Medal for girl student at the 8<sup>th</sup> SVVU Convocation held on 24<sup>th</sup> April, 2019.

Ms. P. Sushmitha awarded by the Vice-President of India

Mr. Akhilesh Kumar Gupta and Mr. Arun Kumar Shakya of 2015-16 outgoing batch students of CDT, Tirupati cleared the GATE and got admission in Food Technology Management and Food Quality Management, respectively, at National Institute of Food Technology Entrepreneurship and Management (NIFTEM), an Autonomous Institute under the Ministry of Food Processing, Govt. of India.

In the campus interviews conducted by placement cell of the CDT, Tirupati for the outgoing 2015-16 batch students, M/s. Godrej Creamline Jersey offered placement for 3 students in Sangam Dairy, APPDCF and M/s. Heritage Foods Pvt. Ltd., with the pay package from Rs. 2.25 - 3.00 lakh per annum.

## TRIBAL SUB PLAN PROGRAMME IMPLEMENTED AT LRS, PALAMANER

The Tribal Sub Plan programme, a part of NWPSI, ICAR project at LRS, Palamaner was implemented in the villages of G. Madugula, Vishakapatnam (dt) and Jiyammavalasa, Vijayanagaram (dt) on 01<sup>st</sup> and 02<sup>nd</sup> June, 2019 respectively. Dr. G. Gangaraju, Principal Scientist and Head, Livestock Research Station, Palamaner and Dr.P.Malakondaiah, Principal Scientist and Head, LRS, Garividi distributed ten mini sheep units to beneficiaries belonging to Schedule Tribes from each village. Each of the unit was comprised of five ewes and one ram and also one fed trough, 50kg pellet feed bag, medicines and mineral mixture. Dr.G.Gangaraju enlightened about management and feeding practices to shepherds. Dr. S. Vijayalakshmi, Scientist, LRS, Dr. M. Krishnaveni, VAS, ISDP, Visakapatnam, Dr. Jagadeesh, and Dr. Sumathi Rani, VAS, attended the Programme.

Dr. G. Gangaraju, Principal Scientist and trainees in Tribal sub plan programme

One day training program for 40 sheep farmers from NP Kuntamandal, Anantapur district was conducted at Livestock Research Station, Palamaner on 14<sup>th</sup> June as a part of exposure visit of Foundation for Ecological Society (FES) -NABARD- KfW soil project supported by Royal Bank of Scotland. The farmers were enlightened with improvised feeding practices of sheep, availability and suitability of different types of fodders, occurrence of seasonal diseases, and their preventive and control measures towards encouraging livestock rearing by Dr.G.Gangaraju, Principal Scientist and Dr.S.Vijayalakshmi, Scientist Livestock Research Station, Palamaner.

Dr.G.Gangaraju, Principal Scientist and Dr.S.Vijayalakshmi, Scientist Livestock Research Station, Palamaner and trainees

**COLLEGE OF FISHERY SCIENCE, MUTHUKUR ORGANIZED TRAINING PROGRAMMES FOR ASSISTANT PROFESSORS**

Three Day hands-on training programme on “Diagnostic Techniques in Aquatic Animal Health Management” was organized from 13<sup>th</sup>-15<sup>th</sup> May for 25 Assistant Professors from Tamil Nadu, Andhra Pradesh and Karnataka states. The Course director was Dr. T. Neeraja, Associate Professor and Head, Department of Animal Health Management, College of Fishery Science, Muthukur. The basic concepts in Disease diagnosis, etiological agents of various diseases of fish and shrimp, importance of diseases in culture systems and different methods/tools in isolation and identification of pathogens by conventional and molecular techniques were imparted to the trainees.

Training program on “Diagnostic Techniques in Aquatic Animal Health Management”- release of Training Manual

Three days Hands-on training on “General Principles and Techniques Adopted in Fisheries Biology” was conducted by Dr. A.Balusubramanian, Professor & Head, Department of Fisheries Resource Management, College of Fishery Science, Muthukur, from 6<sup>th</sup> to 8<sup>th</sup> May, 2019. The training was conducted on various aspects of Fisheries Biology like collection, preservation and cataloguing of fish specimens, general anatomy and taxonomy of fishes, feeding and reproductive biology of fishes and techniques in fish stock assessment.
