TIME TO RE-ORIENT OUR APPROACH

It gives me immense pleasure to note that with the financial support of TTD, Sri Venkateswara Veterinary University, Tirupati newly established In Vitro Fertilization (IVF) laboratory at the SVVU campus on 16th February 2022 with an objective to enhance the milk production through indigenous cows and the lab was inaugurated by TTD Chairman Y.V. Subba Reddy, in the presence of Executive Officer K.S. Jawahar Reddy.

I express my extreme happiness for organizing 74th Board of Management Meeting on 5th February, 2022 action taken report on the proceedings of the previous board meeting was reviewed by the Board.

I am also happy to note that the University hosted a prestigious National Conference during the period under report. Indian Dairy Association of AP Local chapter and Sri Venkateswara Veterinary University (SVVU)'s Dairy Technology Department Jointly organized a national seminar on 'Energy Efficiency Improvement and Cost Saving opportunities for the Dairy and Food Processing Industry' at the Dairy Technology Auditorium on 24th March'2022 to improve entrepreneurial skills of students set up processing points, incubation centers and nutrition quality assessment centers in the country.

It's my appeal to all the faculties that let all of us aim at bringing a paradigm shift in academics by making the students focus on relevant entrepreneurial skills in the disciplines of the dairy industry and dairy processing sectors.

I am glad that the University faculty is engaged regularly conducting various kinds of awareness programmes for the benefit of Farmers and Rural youth, sharing of new technologies to Veterinary Assistant Surgeons, research activities such as production and distribution of superior breeding rams and chicks to SC, ST community to strengthen their economy and through In Vitro Fertilization Technology successfully produced of Gir IVF Calf to Ongole Surrogate Mother.

I took privilege to announce CCVEC started and conducted University's outreach programme "RBK Lo Pashu Vignana Sadassulu" at Rythu Basora Kendras of the different districts of the State of Andhra Pradesh, the main objective of the programme is to double the farmers' income through orientation of livestock owners on Mastitis control, Ways and means to improve fat percentage in milk, Back yard poultry rearing and Calf a year program.

Radio talks recording by University Faculty at Digital Studio, SVVU, Tirupati on various aspects of Dairy production, sheep and goat management and backyard poultry rearing for the benefit of farmers and rural unemployed youth and prepared Multimedia modules on commercial / village level Backyard Poultry rearing and economical rearing of sheep to educate the farmers is a regular activity of the University.

University's Kisan call centre helping the farmers to get suggestions regarding management, reproduction, disease control and nutritional aspects of animals, value addition of meat and milk products preparation and information on University admissions process etc.

I congratulate all the teaching staff members who received awards during the reporting period for their services in the field of Veterinary and Dairy science.

I congratulate the faculty, staff, and students for their collective and pertinent efforts in uplifting the positive image of the University.

Dr. V. Padmanaba Reddy,
Vice-Chancellor

Sri Venkateswara Veterinary University, Tirupati

IVF LAB INAUGURATED IN SRI VENKATESWARA VETERINARY UNIVERSITY

The newly-constructed In Vitro Fertilization (IVF) laboratory at Sri Venkateswara Veterinary University (SVVU) was inaugurated by TTD Chairman Y.V. Subba Reddy on 16th February' 2022 , in the presence of Executive Officer Dr. K.S. Jawahar Reddy, IAS and Vice - Chancellor Dr. V. Padmanabha Reddy. The TTD has funded to the tune of Rs. 3.80 crore for developing the lab.

IVF Lab Inaugurated by TTD Chairman & Executive Officer, Vice-Chancellor and University Officials

Mr. Subba Reddy said the TTD's contribution towards the lab was aimed at increasing the milk yield from indigenous cows and enhance the scale of preparation of 'Prasadam' under the TTD's prestigious programme 'Govinduniki Go Adharitha Naivedyam.

IVF Lab Inaugurated by TTD Chairman & Executive Officer, Vice-Chancellor and University Officials

“Everyday TTD requires 3,000 litres of milk from native breed of cows, but we are currently receiving only 500 litres. We need to improve the milk produced from desi cows to meet our requirements and hence

this move to increase yield through embryo technology”, he explained. The move is expected to increase milk production per cow from the present 5-6 litres to 10 litres. TTD Joint Executive Officer V. Veerabrahmam, SVIMS Director Dr. B. Vengamma and others were present.

74th BOARD MEETING OF SRI VENKATESWARA VETERINARY UNIVERSITY

74th Board meeting of Sri Venkateswara Veterinary University, Tirupati was held at LRS, Lam, Guntur on 5th February, 2022. Hon'ble Vice - Chancellor Dr. V. Padmanabha Reddy garu chaired the meeting. Members of Board of Management Dr. P. Malakondaiah, Academic Council Member, Dr. V. Vaikunta Rao, Academic Council Member, Dr. K. Adilaxmamma, Academic Council Member, Dr. M. Ranganadham, Scientist, Smt. T. Nayanatha Reddy, Progressive Farmer, Mrs. K. Swathi, Progressive Farmer, Sri. V. Janakiram, Progressive Farmer, Dr. G. Srinivasa Reddy from VCI, Sri. S. Vijaya Kumar and Smt. K. Vijaya, Industrialists and Dr. A. Ravi, Registrar have attended the meeting. Action taken report on the proceedings of the previous board meeting was reviewed by the Board.

74th Meeting of Board of Management

TRAININGS/WORKSHOPS/ CONFERENCES ORGANIZED

COLLEGE OF DAIRY TECHNOLOGY, TIRUPATI

Indian Dairy Association of AP Local chapter and Sri Venkateswara Veterinary University (SVVU)'s Dairy Technology Department Jointly organised a

national seminar on 'Energy Efficiency Improvement and Cost Saving opportunities for the Dairy and Food Processing Industry' at SVVU here on Thursday. The Vice - Chancellor of SVVU Dr. V. Padmanabha Reddy, who attended as chief guest, said the students with apt Skills will have numerous job opportunities in Dairy Technology to Shape their future bright.

National Seminar Conducted at College of Dairy Technology, Tirupati

He said the state occupied fifth place and Chittoor district bagged first place in milk production in the country. IIT (Tirupati) Prof KSMS Raghava Rao sought the students to bring revolutionary changes in dairy sector with new innovations and opined that there was a great need to set up processing points, incubation centers, nutrition quality assessment centers in the country.

Indian Dairy Association (IDA) South Zone chairman CP Charles sought the dairy and food processing industries to make efforts for increasing production by reducing investments using latest technology machines. Earlier, the speakers released a souvenir of IDA in the seminar.

COLLEGE OF VETERINARY SCIENCE, TIRUPATI

Department of Veterinary & A.H. Extension organized 3 days refresher training programme for field veterinarians from 20th to 22nd January, 2022. Veterinary Assistant Surgeons from all districts of the state have attended the refresher training programs. Day-long training program was taken up consecutively for three days by different resource persons. All the participants attended the Veterinary Clinical Complex, College of Veterinary Science, Tirupati in the forenoon sessions, where in, hands on

training session on surgical techniques was provided to all the trainees.

Refresher Training Programme for Field Veterinarians

Department of Animal Nutrition organized one day training programmes on "Sastreeya Paddathilo Padipasuvula Poshana" and "Upadhi Kalpanalo Pasu Sambandha parisramalu" on 12-01-2022 and 13-01-2022 respectively to benefit of the farmers.

Training Programme on Sastreeya Paddathilo Padipasuvula Poshana

Department of Poultry Science organized training on backyard poultry rearing was given by Dr. S. Shakila, Professor & Head on 10-03-2022 at Mannasamudram village.

NTR COLLEGE OF VETERINARY SCIENCE, GANNAVARAM

Department of Veterinary Anatomy organized one Training and Capacity building programme for 25 SC beneficiaries under "Scheduled Caste - Sub Plan (SC-SP)" Strengthening and Development of Higher Agricultural Education in India for 3 days from 27th to 29th January 2022.

Capacity building programme for SC beneficiaries

Conducted two Trainings on “Cultivation of Fodder Grasses Management” to SC farmers of Krishna district under SC Sub Plan by Dr. C. Anil Kumar, T. Susmita and Dr. Ch. Venkata Sessaiah on 7th and 10th January 2022.

Training Programme on Cultivation of Fodder Grasses Management

Department of Animal Nutrition organized Farmers training programme entitled “Techniques in preparation of concentrate feed at village level using mini feed mixers” sponsored by the ICAR and Sri Venkateswara Veterinary University, Tirupati under ICAR/SC Sub Plan-Strengthening and Development of Higher Agricultural Education in India on 22.01.2022. About 35 farmers from villages of Krishna District attended the training programme. Lectures were delivered on different aspects of nutrient requirements of cattle, Ration Formulation, Total mixed rations, Importance of mineral mixtures etc. Farmers were provided with hands on training to prepare the concentrate mixture at feed mixing plant, NTR CVSc, Gannavaram and 10 kg of concentrate feed is given to each farmer.

Veterinary Clinical Complex organized a three days training programme entitled “A practical approach in haemogram analysis for diagnosis of Vector Borne Parasitic Diseases of Livestock and Pet animal” for Veterinary Assistant Surgeons from 14-02-2022 to 16-02-2022 under ICARSC Sub plan.

Training Programme on
A Practical Approach in Haemogram Analysis for Diagnosis of Vector Borne Parasitic Diseases of Livestock and Pet Animals

Department of Veterinary & AH Extension Education organized training and awareness campaign programme on application of Ethno-Veterinary Practices in Livestock Farming to farmers at Surampalli village on 28-02-2022.

COLLEGE OF VETERINARY SCIENCE, PRODDATUR

Library - Two days workshop on Effective Utilization of CeRA Access to E-resources in Veterinary Science was conducted from 21.02.2022 & 22.02.2022 for SC & ST students (2019 & 2020 Batch) by Mr. B. S. Ravi Sankar, Training Consultant, J-Gate CeRA, Informatics, Bengaluru at Digital Library, under the Agricultural Education Division plan scheme SC & ST Sub Plan “Strengthening and Development of Higher Agricultural Education in India”

Workshop on Strengthening and Development of Higher Agricultural Education in India

Dept of Veterinary Clinical Complex - Conducted Training programme on 'Grameena Pranthallo Paadi Pashuvullo Vache Garbhakosa sambandita Vyadulu Vaati Nivarana Charyalu" with 75 Farmers around proddatur mandal villages on 23.02.2022 under SC sub Paln.

Dept of Veterinary Medicine - Conducted training programme on 'Paadi Pashuvulu mariyu Jeevalalo Tarachuga Vache Vyadulu mariyu Vaati Nivarana Charyalu" with 35 Farmers around proddatur mandal villages on 24.02.2022 under SC Sub Paln.

Training Programme on Paadi Pashuvulu mariyu Jeevalalo Tarachuga Vache Vyadulu mariyu Vaati Nivarana Charyalu

Dept of Livestock Production Management - Conducted one day Training programme on 'Pashumethalo Vyavasaya Vuthpathulu Sadviniyogam Mariyu Paadi Pashuvulalo Adhika Paala Digubadi, Venna satham Peragadaniki Melakuvalu" with 30 SC & ST Farmers around Proddatur mandal villages on 23.03.2022 under SC sub Plan.

Training Programme on Pashumethalo Vyavasaya Vuthpathulu Sadviniyogam Mariyu Paadi Pashuvulalo Adhika Paala Digubadi, Venna satham Peragadaniki Melakuvalu

Dept of Veterinary Gynaecology and Obstetrics - Conducted one day Training programme on 'Pashuvulalo Goddu Mothu Samasyalu Nivarana, Santhanothpathi Samarthyam pemupudala" with 38 SC & ST Women Farmers around Proddatur mandal villages on 25.03.2022.

Training Programme on Pashuvulalo Goddu Mothu Samasyalu Nivarana

Dept of Veterinary Public Health and Epidemiology - Conducted one day Training programme on 'Punaruthpathi Sambandita Zoonotic Vyadulu Mariyu Nivarana Charyalu" with 30 SC & ST women Farmers around Proddatur mandal villages on 26.03.2022 under SC sub Paln.

Training Programme on Punaruthpathi Sambandita Zoonotic Vyadulu Mariyu Nivarana Charyalu

LIVESTOCK RESEARCH STATION LAM, GUNTUR

Training Programme on "OPU-IVF-ET Technology" was conducted to Veterinary Post Graduate Students from 02-09, March, 2022 at LRS, Lam, Guntur.

Training Programme on OPU-IVF-ET Technology

LIVESTOCK RESEARCH STATION SIDDARAMPURAM

Organized one Nabskill Training programme on “Intensive rearing of sheep and goat” from 06.01.2022 to 05.02.2022 for 30 number student/unemployed youths of Ananthapur district. Sri. T. Rangaih garu, Honb'le M.P, Ananthapuram, Smt. Z. Padamavathi garu, Honb'le MLA, Singanamala, Smt. T. Nayanatha Reddy garu, Honb'le Member, Board of Management, SVVU, Dr. Subramanyam garu, JD (AH), Ananthapur, Dr. Ramachandra Reddy, AD(AH), RAHTC, Reddypalli and Smt. Ushamadhusudhan, DDM, NABARD has attended the inaugural programme and for valedictory Sri. Venkataraju garu, LDM, Ananthapur and Smt. Ushamadhusudhan has attended and distributed the certificate to the trainees. Training programme is conducted both theoretical and hand on learning by involving in the all farm activities.

Training Programme on Intensive Rearing of Sheep and Goat

CENTRE FOR CONTINUING VETERINARY EDUCATION AND COMMUNICATION, TIRUPATI

A training programme on “Value added milk products and their preparation” organized by CCVEC on 15th February 2022 with an objective to orient the self help group women on the importance of Value added milk products like khoa, rasagulla, gulab jamun, kalakand. etc and their preparation. Self help group women from Chandragiri Mandal, karakambadi, Chittoor district have attended the training. All the women farmers were thoroughly oriented on the importance of Value added milk products and their economic importance. CCVEC co-ordinator, Dr. K. Sujatha, Dr. Vijayageetha have participated in the training program and oriented the farmers.

Training programme on
Value Added Milk Products and their Preparation

Two training programmes on “Scientific rearing of dairy animals, sheep and back yard poultry” organized by CCVEC on 16th and 19th February 2022 with an objective to orient the farmers on the Scientific rearing of dairy animals, sheep and back yard poultry. Farmers from chandragiri and renigunta mandals, Chittoor district have attended the training. All the farmers were thoroughly oriented on the importance of economic rearing of dairy animals, sheep and back yard poultry. CCVEC co-ordinator, Dr. K. Sujatha, Prof. Dr. G. Gangaraju, Dr. D. Raniprameela and Dr. S. Shakila have participated in the training program and oriented the farmers.

Training Programme on Scientific Rearing of Dairy Animals, Sheep and Backyard Poultry

KRISHI VIGYAN KENDRA, GUNTUR

Training programs (13) were carried out at KVK Guntur on crop residue management in chilli, nutrient management in paddy, prevention of anemia, IPM in chilli, ICM in Bengal gram, IPM in sesame, Rearing of Rajasri chicks and capacity building training program on clean milk production, bee keeping as business model for rural youth, Post harvest management, low cost nutritious food for children, skill training on mushroom production, capacity building of farmers through strategies a year calf programme for more income for the benefit of rural farmers strengthen their family income.

Training Programme on Clean Milk Production

RESEARCH ACTIVITIES

COLLEGE OF DAIRY TECHNOLOGY, TIRUPATI

As per the request received from the Director, Animal Husbandry Department, Govt. of Andhra Pradesh, the University authorities directed the College of Dairy Technology, Tirupati to analyze the milk samples from AMUL-AMCs of Pulivendula

region of Kadapa district and few selected milk collection centers of Nellore District to apply for the Geographical Indication (GI) of goods for the milk of Pulivendula region.

BUFFALO RESEARCH STATION VENKATARAMANNA GUEDEM

Established an elite herd of Murrah Buffaloes, Developed database on various aspects of buffalo production and reproduction, Supplied elite Murrah male calves to the needy farmers for breed improvement and carried out technology transfer and field extension activities.

FISHERIES RESEARCH STATION, UNDI

Clearing of predatory and weed fishes in ponds was done for stocking of fish seed and Aquaponics unit made ready for conducting experiment.

NCC/NSS/SERVICE PROGRAMMES COLLEGE OF VETERINARY SCIENCE TIRUPATI

NSS programme was conducted by CVSc, Tirupati with the help of CCVEC on 19-02-2022 at Kayampeta village and the first year postgraduate students of the department of VMC and final year BVSc & AH students and teaching staff has attended the camp and collected necessary samples.

NSS Programme at Kayampeta Village

EXTENSION AND COMMUNITY ORIENTED ACTIVITIES

COLLEGE OF VETERINARY SCIENCE TIRUPATI

Department of Poultry Science - Under the PSP Project a total number of 937 germplasm were supplied to the farmers and an income of Rs.11,140/-

generated for the month March, 2022.

Under SCSP a total of 150 chicks were distributed to 20 numbers of farmers along with feed, feeder, water and night shelter on 10-3-2022 at the Mannasamudram village of Yerpedu mandal.

NTR COLLEGE OF VETERINARY SCIENCE GANNAVARAM

Veterinary Clinical Complex - Dr. N. Hari krishna Asst. Professor, VCC had given Radio talk in Pasuvulalo Sastra chikitsa sambandinche vyadulu. Educating the livestock farmers and pet owners regarding the Do's and Don'ts related to their rearing and husbandry to prevent fatal illnesses, importance of Production diseases in buffaloes and pet owners about the importance of vaccination.

COLLEGE OF VETERINARY SCIENCE PRODDATUR

Department of Livestock Farm Complex - 720 Birds (7 weeks) distributed on 19.02.2022 to the farms from villages of Yerraguntla, Rajupalem and Khajipeta Mandals of YSR Kadapa district under 'DBT Research Project entitled "Augmentation of Rural economy through Backyard Poultry Farming and value addition of milk, meat and eggs in Kadapa District of Andhra Pradesh.

LIVESTOCK RESEARCH STATION PALAMANER

Supply of Super Napier Fodder Slips to the Farmers

Supplied 200 Super Napier fodder slips to the farmers, 620 litres of urine and 190 kg dung were distributed to the farmers for organic farming, 12 doses of Punganur cattle semen have been distributed to farmers on Punganur cattle breeding and supplied 5 Kg of Hedge Lucerne seeds to the local farmers.

CENTRE FOR CONTINUING VETERINARY EDUCATION AND COMMUNICATION TIRUPATI

RADIO TALKS RECORDED AT DIGITAL STUDIO

Fourteen number of Radio talks were recorded at Digital Studio, CCVEC, SVVU, Tirupati during January - March 2022 by the teaching staff of CVSc, Tirupati delivered information on

1. Pashuvulalo emukalu mariyu kandarala sambanditha vyadhulu.
2. Pashuvulalo sankraminche kanti sambandhita vyadhulu, teesukovalsina jagrattalu - Nivarana.
3. Kundella pempakamlo melakuvalu.
4. Palalo labinche poshaka padarthalu - Vati pramukyatha.
5. Pashuvulalo vesavi kalamlo vache vyadhulu - Vati nivarana.
6. Seema pandi pillala pempakamlo jagrattalu.
7. Adhika pala vuthpatilo probiotics yokka pramukyatha.
8. Migulu palatho pala padarthala thayari.
9. Pashuvulalo sukshma jeevula valana vochu vyadhulu, chikitsa mariyu nivarana margalu.
10. Kollalo vache mukyamina vyadhulu - Vati nivarana.
11. Pashuvulalo sastra chikitsa vyadhulu,
12. Pindamarpidi vidhanam - labhalu mariyu pradanyatha,
13. Kuteera parishramaga kundelu pempakam - Suchanalu mariyu labhalu.
14. Pashugrasala nilva paddatulu for the benefit of Rural Farmers.

MULTIMEDIA MODULES

The staff of CCVEC prepared four numbers of Multimedia modules on Labhasati Gorrela Pempakam, Grameena Pranthallo Perati Kolla Pempakam, Pachi Methaga Azolla and Vyapara Saralilo Perati Kolla Pempakam to educate the farmers on respective fields.

ATTENDED LIVESTOCK MELA

Livestock Mela

The staff of CCVEC attended livestock mela at Musalayyagaripalli, Gd Nellore, Chittoor organized by Progeny Testing Project with the help of Animal Husbandry department. Two hundred farmers are attended the Pashu mela. In this health camp, calf rally and awareness programme were conducted. CCVEC participated in the mela and Distributed sheep management, mastitis control calendars and kisan call centre toll free cards to the farmers. Dr. K. Sujatha, Co-ordinator, CCVEC explained about various activities were taken up by CCVEC for the benefit of farmers and urge the farmers to utilize University extension and research services.

RBK LO PASUVIGNANA SADASSULU

RBK Visit

CCVEC has scheduled (07) field visits to Rythu Bharosa Kendras (RBKs) in Chittoor, SPSR Nellore and YSR Kadapa districts with an objective to carryout PASUVIGNANA SADASSULU in the RBKs with the logistical support from Animal Husbandry Department, Govt. of A.P. During the month of

March 2022, (07) field visits were carried out to RBKs Settigunta, Rly. Kodur (M), RBK Nagavaram, Chitvel (M) of YSR Kadapa district, Kammappalli, RBK Pantapalli, Pakala (M), RBK Kamalayyavaripalli, Y.V.Palem (M), RBK Thippireddygaripalli, Chinnagottigallu (M) of Chittoor District and RBK Siddavaram, Venkatagiri (M) of SPSR Nellore districts.

Visit of RBK

Pasu Vignaana Sadassulu were organized in all the RBKs duly involving the local public representatives, AHD staff. Subject Matter Specialists from S.V.Veterinary University and Assistant Professors from CCVEC have also attended along with the Coordinator, CCVEC, SVVU. On an average, 25-30 livestock owners have attended the Pasu Vignaana Sadassu at each RBK. Livestock owners were oriented on best practices in cattle, sheep and poultry production, management. Importance of improved fodder varieties like Super Napier etc., was also discussed in the Sadassu.

Method Demonstration of Mastitis

Farmers were keen to know the Mastitis control measures as Mastitis turned out to be a major obstacle

ATTENDED SOS TRAINING PROGRAMME

The staff of CCVEC attended SOS training programme on livestock and poultry management at SOS office, Yerpedu, Chittoor district on 16th March'2022. 150 farmers are attended the training programme. In this, Dr. J. Suresh, Dean of Dairy Science, Dr. K. Sujatha, Co-ordinator, CCVEC, Dr. G. Gangaraju, Professor, CVSc, Tirupati, Dr. Kalyana Chakravarthy, Dr. D. Srinivasa Rao, Assistant Professor, CCVEC have participated the training programme.

Dr. J. Suresh, Dean of Dairy Science Addressed the Farmers

Dr. K. Sujatha, Co-ordinator, CCVEC explained about various activities were taken up by CCVEC for the benefit of farmers and urge the farmers to utilize University extension and research services. Dr. Kalyana Chakravarthy and Dr. G. Gangaraju explained profitable dairy farming and sheep rearing. Distributed sheep management, mastitis control calendars and kisan call centre toll free cards to the farmers.

Attended SOS Training Programme

CREATIVE AND INNOVATIVE INITIATIVES IN CURRICULUM

COLLEGE OF VETERINARY SCIENCE GARIVIDI

The faculty in the department of Veterinary Anatomy, CVSc, Garividi prepared dry splanchnology specimens to demonstrate practically without exposure with formalin.

AWARDS & RECOGNITIONS

Dr. G S Rao, Professor and Head attended as external expert and member of assessment committee in the discipline of Veterinary Pharmacology to consider the cases of promotion of teaching personnel to Associate Professor cadre in the discipline of Veterinary Pharmacology in KVAFSU, Bidar, Karnataka on 31.01.2022.

Dr. MVAN Surya Narayana, Professor & Head nominated as Joint Secretary for the Animal Nutrition Society of India (ANSI).

Dr. K. Lakshmi Kavitha, Associate Professor received reviewer excellence award on 24-01-2022 for the review of an article entitles "Antibiogram and virulence factors of Escherichia coli isolated from bovine mastitis in Malwa region of India" from Indian Journal of Animal Research, ARCC.

Dr. P. V. Siddharth, PhD student has won 1st Prize in International 'One Health Graphic Designing contest' organized by Centre for One Health Education, Advocacy, Research and Training (COHEART), Kerala Veterinary and Animal Sciences University and United Nations Development Programme (UNDP).

Dr. N. K. B. Raju received Reviewer Excellence award by Indian Journal of Animal Research (ARCC Journals) on 7.1.22.

Dr. Raghavendra Srikanth. N, Scientist, LRS, Lam received Certificate of Excellence in Reviewing from Journal of Scientific Research and Reports.

Dr M Mutha Rao as a member of Central Monitoring Unit of TVF-ETT project (NMBP-RGM), constituted by GOI, visited IVF labs of Tamil Nadu viz., District Livestock Farm, Hosur and Department of VGO, VC & RI, Nammakkal,

Tamil Nadu from 24th to 26th March, 2022 for evaluation/accreditation of the IVF labs.

Dr. T. S. Chandrasekhara Rao, Professor & University Head, acted as PRT Member & SKUAST, Jammu for ICAR accreditation.

DAYS CELEBRATED

REPUBLIC DAY CELEBRATIONS IN THE UNIVERSITY

The 73rd Republic day of India was celebrated at University Administrative building. The teaching, non-teaching staff, outsourced staff and students took part in the celebrations. The Hon'ble Vice Chancellor, Dr. V. Padmanabha Reddy hoisted the national flag, addressed the gathering and presented cash awards to non-teaching staff of Administrative Office and all the college of Veterinary, Dairy and Fishery faculty of the University for their meritorious services.

Republic day Celebrations in the University

In his address the Hon'ble Vice-Chancellor, Dr. V. Padmanabha Reddy has appreciated the efforts of University officers, teachers, students and non-teaching staff for their good efforts in the Education, Research and Extension activities. Hon'ble Vice-Chancellor, Dr. V. Padmanabha Reddy briefed the gathering about the progress made during the year.

SRI POTTI SRIRAMULU JAYANTHI

ADMINISTRATIVE BUILDING

Celebrated Amara Jeevi Potti Sriramulu Jayanti on 16.03.2022. Speaking on the occasion, Dr. A. Ravi, Registrar, Sri Venakateswara Veterinary University - Tirupati recalled the

sacrifices of Potti Sriramulu in the formation of first linguistic state in the country.
