Order:

As per the provisions of Section 5 (1) & (2) of Right to Information Act (Act 22 of 2005) every public authority shall within 100 days of enacting of the Act, designate the Public Information Officer and Asst. Public Information Officer to provide information to the persons requesting Information under the said Act.

Accordingly the University vide reference 1st to 3rd cited has nominated PIO, APIO and Appellate Authority to all the units/Institutions under the control of SVVU till that date.

But practically in implementation all applications are being received by the University pertaining to all units/institutions under SVVU and it is found very difficult for one PIO to dispose all the applications received under Section 6 of the said Act within the prescribed time limit of 30 days. Further it is also found very difficult to gather information and records from the various units/institutions. Therefore, it is found expedient to designate one official in each unit/Institution as PIO and one Official as APIO in each unit/Institution. It will facilitate the persons who apply for information under the said Act and it will also be possible to furnish the information easily within the prescribed time to the applicants.

Further, after issue of the orders vide reference 1st cited, some more institutions are included to SVVU for which no PIO and APIO are nominated so far.

Hence, in modification of the orders issued vide reference 1st to 3rd cited, the officers mentioned in the annexure are nominated as PIO, APIO and Appellate Authority.

The PIOs, APIOs and appellate authorities of respective units/Institutions detailed in the annexure to this orders shall function and discharge the duties as per the provisions of Right to Information Act (Act 22 of 2005).

The Public Information Officers of the respective units/Institutions of SVVU are requested to maintain the Registers as per the Proformas 1,2 & 3 of Appendix-VII enclosed with this orders.

The appellate authorities of the respective Units/Institutions are requested to maintain the Registers as per the Proformas 4 enclosed herewith.

The PIO's and Appellate Authorities are requested to send the returns for every three months in the Proforma Appendix-I to the State Information Commission.

The PIOs and appellant authorities who fail to discharge their duties and perform their functions as per the provisions of Right to Information Act (Act22 of 2005) are liable for penalties and disciplinary action under the said Act. Certain Guidelines pertains to RTI Act, 2005 are enclosed herewith.

The PIOs, APIOs and Appellant Authorities are requested to display the boards indicating their name and designation as PIO, APIO and Appellant Authority as the case may be, in the conspicuous place of their offices concerned within two days from the date of receipt of this orders.

The information pertains to RTI Act, the list of PIO, APIO, Appellate Authority and Guidelines are placed in University **website: svvu.edu.in** so as to facilitate the persons who apply for information under RTI Act.

All the APIOs' of Admn.Office, SVVU, Tirupati are instructed to take over the charge of old and current files relates to the concerned sections and furnish one copy of charge list to the undersigned for record.
